Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

Permission to Hire Consultants for DLNR CIP Projects

The Engineering Division and other user divisions desire to engage consultants to provide various professional services for the Capital Improvements Program (CIP) projects indicated and described on the attached list. The General Appropriations Act of 2007 and Supplemental Appropriations Act of 2008 authorize these projects. The list is arranged by program area.

RECOMMENDATION:

That the Board of Land and Natural Resources authorize the hiring of consultants for the projects indicated and authorizes the Chairperson to sign the necessary documents pertaining to the individual projects, subject to the release of funds by the Governor and approval as to form by the Attorney General's office.

Respectfully submitted,

ERIC T. HIRANO
Chief Engineer
